

## SANY + AIR SANITISER COMPRESSOR

Sany + Air is a premium, low-pressure oil-free compressor equipped with a pressure gun that can spray sanitising products with very little air. Simply add your chosen sanitising liquid to the lightweight unit or purchase our recommended Aeris Active Hospital Grade Disinfectant for the device (Aeris Active can be purchased from Beaver Brands) .

### FEATURES & BENEFITS

- Robust enough to work continuously for several hours
- High quality Italian made components
- Lightweight, convenient and very easy to use
- Adjustable pressure reducer and flow regulator
- Nebulisation is efficient and allows alcoholic solutions to dry instantly
- Continuous dry spray action deposits sanitising products homogeneously on large surfaces
- Equipped with a 5 meter spiral tube, allowing quick and free movement around objects and rooms

### APPLICATIONS

Highly suited to:-

- Offices, schools, medical centres
- Shopping centres and shopping trolleys
- Vehicle and machinery cabs
- Food and hospitality industries
