STANDARDS GARMENT & FABRIC DESIGNED & TESTED IN ACCORDANCE TO:

AS/NZS 1906.4:2023	Retro-reflective materials and devices for road traffic control purposes. Part 4: High-visibility materials for safety garments.
AS 4602.1:2011	High visibility safety garments - Part 1: Garments for high risk applications.
This garment has been manufactured and their materials tested to meet the performance set under these standards. <i>**Single hoop leg tape is a recommendation only not a requirement for "N" Class garments.</i>	
AS 4399:2020	Sun protective clothing - Evaluation and classification. This garment fabric has an UPF 50+ - Excellent Sun Protection rating.
AS/NZS 1020:1995	The control of undesirable static electricity.

The Boomerang® range of workwear and personal protective equipment is proudly designed and manufactured in partnership with Cole Supplies Pty Ltd - a Noongar owned and operated Indigenous Australian company and Supply Nation certified business.
